Our next Roundtable for Tutors will be on **Thursday, March 3, 2016 at 7:00 p.m.** at the Community Council. Ginny Steele will present ***Tutoring the Newest Beginners*** and address the challenges of tutoring students who speak little or no English. We will also provide time to talk about other tutoring issues. If you have any particular questions, please send them to us ahead of time and we will forward them to Ginny. This will be a good refresher for everyone.

For so many of our students, conversation groups provide the best opportunity to practice their English speaking. Our classes meet once each week for 60 - 90 minutes and are always stimulating! If you have any interest in leading a conversation group, please contact Sandy Robinson at 781-444-2415 or esl@needhamcommunitycouncil.org.
